WALTERIA NEWS NOTES

Charles Scott Named President In WALTERIA Kiwanis Club Vote

By BETTY MITCHELL, DA 6-4438

The happy sound of parade music met the ears of the people in our town last Saturday when the WALTERIA Business Men's Club held their annual community picnic and fun fest. Prizes galore and home made goodies at the park following the parade made the day a huge success. The kiddies always look forward to this event, each year, as well as the Christmas Party held each Christmastide by the Business Men's Club.

ly from a three weeks trip during which they visited Chelsea, Mass., and New York City. It was fascinating to Jerry to see the historic scenes and famous landmarks in reality instead of on the T.V. screen.

The local PTA is well in the swing of things. The next activity on their roster is a paper drive scheduled for Sept. 27. Mr. Mertz of the WALTERIA School staff will be chairman for this first money raising project of the year. Rags, magazines and newspapers will all be accepted so let's see what we can get together. Glen Hardcastle is going to be a busy man these next weeks since he is chairman of the annual carnival to be held at Halloween time. Fun, prizes, and eats are all being planned with the thought in mind of making it bigger and better than ever.

port.

Mrs. Maevine Allen of Newton St. is looking fine these days after recovering nicely from surgery held five weeks ago in Long Beach.

Many of you readers who knew Bill and Betty Williams, former residents of Las Cañada St., will be sorry to hear that Betty smashed her hand in a car door two weeks ago

and broke the bones so badly she had to spend over two hours in surgery getting them set. She will wear a cast for a number of weeks. Here's hoping the mending won't take long.

The WALTERIA Baptist Church on Park St. is planning to show a film Wednesday evening, Sept. 26, beginning at 7:30. The science film is titled, "Facts of Faith."

Congratulations go to Cass Russak of Danaha St. upon being chosen "Man of the Year" at his place of employment, Longren Aircraft. Cass was chosen as "Man of the Year" for the night shift by vote of the employees. Nice going, Cass.

The local Kiwanis Club held its election of officers for the coming year last Thursday. Taking the gavel from the present president, Joe Bellante, will be Charles (Chuck) Scott. Assisting him will be first vice president Fred Stevens and Dr. Hampton Fancher as second vice president. Frank Hunter will serve the organization as secretary, and Carroll Calhoun will be treasurer. At present the club is very busy with several projects. They are giving polio shots free of charge to all who wish them between the ages of 2 and 12. The club has also donated \$100 toward obtaining some badly needed children books for the WALTERIA Library. Also donated by the club was a thoroughbred heifer for the Spanish American Institute. Quite a group of the members are planning to attend the convention to be held in the near future. They will be headed by the present president, Joe Bellante.

The next general meeting of the PTA will be held on Oct. 4 with a special speaker, S. E. Waldrip, assistant superintendent of Torrance schools, present to explain the tax increase to be voted upon in October. The funds from the tax are to be designated for needed schools and enlargement of existing schools. Also during the evening the new teachers will be introduced to the parents. The meeting will start at 7:30.

The Cub Scouts held a dance for moms and dads of cubbers on last Saturday night at Ed Nickel's Ranch. Approximately 60 attended the frolic with swimming and dancing providing plenty of amusement for all. A snack table was provided for those hearty appetites and everyone had a wonderful time. Some of the parents of brand new cubbers were present to get acquainted with the group. This Saturday the Cub Scouts will have an interesting field trip when they go to Wilmington to tour the Matson Steamship Lines. This is one of many wonderful field trips they have enjoyed this summer. The next back meeting will be held on Friday evening, Sept. 28, in the school auditorium. The annual doughnut sale held each year by the Cub Scouts will be held on two dates this year—Sept. 29 and Oct. 6. This is one of two fund-raising campaigns held annually by the cubbers, the other being the mistletoe sale in December. I know the boys will appreciate your sup-

Speaking of the books needed for the WALTERIA Library, this reporter thought you might be interested in the growth of the library this last year. The increase in circulation for the past fiscal year ending on June 30 was 8833. In other words, 8833 more books were checked out than on the previous year. The increase of registered borrowers was approximately 400, bringing the grand total of borrowers to 2048.

Recent visitors at the Ivan Kettering home on Neece Ave. were Mrs. Kettering's brother, wife, and family, the Dick Bergerons of Oregon.

Mrs. Frances Carillo and her son Jerry returned recent-

New Drafting Teacher Named for El Camino

Arthur L. Carr will teach drafting at El Camino College for the coming year, it was announced by Forrest G. Murdoch, college president.

Carr, a native of Kamrar, Ia., comes to the local college from South Bend, Ind. He will teach in the division of industry and technology under the direction of Horace W. Bates, assistant director of instruction.

Pope Gets Citation

Frank F. Pope, III, of 4609 Green Meadows Ave., was recently cited by the Equitable Life Assurance Society of the United States for outstanding service to policy holders.

Pope was given the company's National Quality Award.

COW CENSUS

The number of milk cows on U. S. farms decreased by about 16 per cent from 1944 to 1952, census figures show.
